

The
PARAGON SUITE
taste is everything

PARAGON RANGE

Cooking With Gas

There's something about a bright blue flame that makes you feel like each dish is going to come out a success. You feel like a true chef. With the Paragon you'll be excited about cooking again. Your family will gather around the dinner table eager to see your latest creation. If cooking is an art, why not start with the perfect canvas?

Strength in Numbers

Not having enough room in the oven or on the stove top is always a problem when hosting big gatherings or family dinners; but not with these ranges. With two large ovens and six burners you'll have plenty of space to cook everything your heart desires. Worried the turkey won't fit on Thanksgiving? No problem! The spacious 2.2 cu. ft. and 2.4 cu.ft. ovens will fit the turkey and the pumpkin pies.

Talk of the Town

Since all parties and gatherings seem to end up in the kitchen, wouldn't it be nice to show off a little? The beautiful style, unique design and bold look of the Paragon is sure to attract all your guests' attention. You'll be the envy of everyone with your incredible Heartland range.

DUAL FUEL RANGE FEATURES

PARAGON REFRIGERATOR

This state-of-the-art French door refrigerator has a multitude of stunning features you'll love. A built-in filtered water dispenser, ice maker and electronic touch controls are just a few of the amazing offerings. Keep your fruits and vegetables fresh, crisp and ready to eat with the large, humidity controlled crisper drawers. The extra large deli drawer allows plenty of space for all your meats and cheeses. The adjustable interior and door shelves make storage of all your favorite items easy and convenient.

Free up kitchen floor space by taking your water dispenser inside the fridge. This internal filtered water system, with easy to use push button control, guarantees pure refreshment whenever you want it.

REFRIGERATOR FEATURES

- Height: 69 3/4"
- Width: 35 5/8"
- Depth: 26 3/8" (not including handle)
- Refrigerator Capacity: 14.4 cu. ft.
- Freezer Capacity: 5.4 cu. ft.
- Filtered water dispenser (includes 1 filter)
- Ice maker
- Humidity controlled crispers
- Temperature controlled deli drawer
- Energy Star compliant
- Available in Stainless Steel

Icy Fresh

The extra large capacity freezer will be able to store all the frozen foods you need. With its filtered ice cube maker you'll never need to worry about having a cold drink around. The ice maker automatically senses when the tray is low and makes more. Cheers!

PARAGON VENT HOOD

This high powered, sleek hood adds functionality and style to your kitchen. A 4 speed adjustable fan ensures the right amount of airflow to clear your kitchen of any unpleasant odors or smoke. The quick touch controls and high quality stainless steel baffle filters assure that your cooking experience is a simple and safe one.

- 47 1/4" (120 cm) wide
- Adjustable duct cover from 19" to 37"
- 600 CFM
- Baffle Filters
- Full length fluorescent light along underside of hood
- Available in Stainless Steel

BACKSPLASH

Protect your walls from splatter and add some flair to your range with a stylish backsplash. Available in Stainless Steel or Black glass and measuring 43" wide and 26 1/2" high, the backsplash will be a wonderful accent to your kitchen.

PARAGON DISHWASHER

The Finishing Touch

The Paragon integrated dishwasher features the latest in sound insulation technology. It is intuitive, expedient and has the beautifully-crafted matching Stainless Steel panel to make it the perfect finishing touch. With these endearing attributes, this dishwasher is the smart choice for your Paragon kitchen.

Room To Spare

With racks that feature room for 12 place settings, a dedicated cutlery rack, and a mesh bag for tiny items; you'll find this dishwasher will fit anything in your kitchen.

Keep Control

With control settings like *ProScrub*, *Quick Clean Up*, *Hi Temp Scrub* and *Rinse Only*, you can conserve energy and water by using what you need while still being assured you have the power for those extra dirty dishes.
